

"A Better life for all"

Volume 4, April 2009

NFM EMPLOYEES PARTNER WITH UWTT

"A Better Life For All"..... How many of us are really dedicated to making this a reality for the less fortunate citizens throughout Trinidad and Tobago?

Established under the auspices of United Way International (UWI), United Way Trinidad and Tobago (UWTT) is committed to the advancement and upliftment of society by working with governmental bodies, private organizations and socially conscious individuals, locally and internationally.

United Way Trinidad and Tobago (UWTT) was incorporated on December 7, 1999 and is a non-profit organization that raises charitable donations from companies and individuals. These donations are then channeled to the various NGOs that deliver critical social services to citizens in need.

Some of the many NGOs which have benefitted from this initiative are *the Cotton Tree Foundation, T&T Coalition Against Domestic Violence, Families in Action, Rape Crisis Society and the Living Waters Community*, just to name a few.

In continued demonstration of its role as a good, socially responsible Corporate Citizen, National Flour Mills Limited has further indicated its care and commitment to the less privileged in our society by partnering with the UWTT. However, the success of this partnership relies on the generosity and involvement of our employees.

Currently, this initiative is being pioneered by a team of four employee volunteers who have already shown their commitment by each pledging to donate \$20.00 monthly to UWTT. The challenge that they have accepted is to get full employee participation in this worthy undertaking and so they welcome the involvement of additional persons who wish to contribute. They will be contacting you soon.

In the meantime, interested persons can direct their questions to the committee members:

Zakiya Mills-Francois, extension 130

Roger Salandy, extension 487

Ronnie Mc Clatchie, extension 441

Ricki Braithwaite, extension 530
